

**With each Habitat home build, the cycle of poverty housing is permanently ended. Join with us as we build hope for families in our communities in Northwest Alabama. EVERY home sponsor will receive the following benefits in addition to those listed in each level.**

- Weekday volunteer workdays with lunch provided
- Invitation to home dedication
- Invitation to our quarterly scheduled family support classes
- Listing for your company or organization in NWAL Habitat newsletter, on website & social media, on site signage and in invitation to dedication
- 4x8 engraved brick displayed at NWAL Habitat office
- T-Shirts or caps for staff or team (up to 10 each)

### **Volunteer Opportunity**

**Apply your donation of \$1,500 to \$7,500 to one of our programs designed for community engagement or improvements to existing homes.**

**A Brush With Kindness - New!** - This new Habitat program is designed to assist existing homeowners in maintaining their investment, encourage connections in the community, and most importantly, preserve affordable housing stock. Projects may include painting, landscaping, weatherization, and minor exterior repairs. **\$1,500 Brush up Sponsor \$3,500 Repairs Sponsor**

**Ramps & Rails - New!** - This new Habitat program will enrich the life of handicap individuals by installing the essentials needed to access the home and safely aide mobility into the home. Project may include ramps and rails, modified thresholds and/or grab bars. **\$2,500 R&R sponsor**

**Women Build** - Empower women to take leadership roles and learn new skills while building a home with a Habitat partner family. Grassroots fundraising is at the heart of Women Build. Small businesses, garden clubs, women's groups, and more band together to make real change for a family in need. **\$2,500 Women Build 2014 sponsor**

**Apostles Build** - Mobilize the faith community to build houses as an expression of God's love. Twelve faith-based organizations will join together breaking ground and sharing the cost of building materials. **\$3,500 Apostles Build sponsor**

**Leadership Build** - This spring will mark our first ever Leadership Build, designed to bring corporate leaders and community leaders together for the ultimate teambuilding experience. **\$3,500 Leadership Build sponsor**

**Safe Room** - Due to the damage in our service area during the April 27<sup>th</sup> storms, we have committed to install a safe room in every habitat home we build. Poured concrete walls and ceiling with a reinforced steel door to give families peace of mind and safety if needed. **\$5,000 Safe Room for a home**

**Renewable Energy** - We strive to provide a home of superior quality and incorporate features to ensure the energy efficiency of the home to ensure the utility bills are not an unnecessary burden to the homeowner. Renewable energy may include solar water heating or solar panels to provide electricity. Renewable energy features can significantly reduce the utility bills for the homeowner. **\$7,500 Renewable Energy for a home**
